This bright and spacious two bedroom apartment within the popular Century Towers is well located at the centre of the city. The location is unsurpassed, situated just behind Town Hall station and across from the future Metro station, the new trams a stroll away on George St and ample shops and restaurants at its doorway.

The corner apartment features a large balcony accessible from master and living rooms where you can enjoy views overlooking the CBD and towards Blackwattle Bay & Anzac Bridge, king sized bedrooms with built-ins, master ensuite featuring bathtub and window overlooking city views and a good usable kitchen with granite benchtops.
